EXCAVATION PERMIT PROVISIONS AND CONDITIONS

1. Applicant shall be responsible for all costs and expenses incident to the performing of this work and will also be responsible for any loss or damage that may be directly caused by the performing of this work.
2. A copy of this permit shall be kept in the possession of the person performing this work.
3. The applicant shall maintain the required insurance forms and certificates for the entire time that any work is performed subject to this permit.
4. Open cuts in street shall be filled, compacted, patched, and tar sealed by the permittee within 48 hours after completion of work, unless the inspector agrees, in advance, to a longer time period.
5. The contractor shall furnish and maintain signs, barricades, lights, flares or any other appurtenance necessary to protect the public or when directed by the Street Department.
6. If applicant proposes to restrict the traffic to any section of the street or alley, the applicant is required to notify and advise Street Department 24 hours in advance.
7. No permit shall be issued to these pursuant these provisions unless the applicant files (with the City Code Officer) a bond issued by a surety company authorized to do business in the state of Pennsylvania, which bond shall be in an amount estimated by the City Code Officer to be the cost of replacing to its original condition any public street, alley, sidewalk, highway or any other public place to be disturbed by applicant under the permit applied for, and conditioned that the applicant will immediately on completing work under the permit replace to its original condition any portion of any public street, alley, sidewalk, highway or other public place disturbed or affected by the applicant under the permit applied for, and that applicant shall correct any defects which occur within one (1) year after the completion of any such replacement work; provide, that cash or certified check may be deposited with the city by applicant in lieu of, and in the same amount as, the bond required by this section, which cash deposit shall be held by the city subject to the same conditions required in said bond, with an appropriate amount of said cash deposit to be returned to applicant on the expiration of one (1) year from the completion of all work performed under the permit.
